

## HEALTHY FOOD AND DRINK POLICY

### Wangaratta Target Archers Inc

---

#### 1. PURPOSE

This policy outlines our club's philosophy regarding healthy eating.

#### 2. RATIONALE

**Wangaratta Archers** is committed to the Good Sports Healthy Eating program. We recognise the importance of consuming healthy food and drink for good health and well-being and supporting good performance at the range. The following measures will be implemented:

#### 3. FOOD AND DRINK

To promote good hydration practices our club will:

- Promote water as the drink of choice.
- Encourage players to drink water before, during and after games and training.
- Encourage players to bring their own water bottle to training and games.

For functions, activities and special events where food and drinks are provided, our club will:

- Ensure healthy (green) food and drink options are available.

Our club will regularly promote healthy eating messages to club members and parents through our electronic media

#### 4. FUNDRAISING AND PRIZES

To ensure healthy messaging is consistent across all club activities, our club requires that:

- Fundraising activities use only healthy (green) foods or non-food items. However an exception is permitted if the fundraiser is a BBQ, where some healthy (green) options must be available.
- Junior prizes are healthy (green) food and drinks or non-food items.

### SPONSORSHIP

Our club will seek to use sponsors who promote healthy food or non-food items. Where this is not possible, our club will seek to negotiate healthy options as part of our sponsorship arrangement with them.

### 5. POLICY PROMOTION AND IMPLEMENTATION

- A current copy of our club’s Healthy food and drink policy will be available to all members on the club web site
- Anyone wishing to discuss this policy can contact a member of the committee.
- Breaches of the policy will be addressed by the club committee.
- This policy will be reviewed annually.

### SIGNATURES:

#### \*Notes:

Food and drinks are classified using a traffic light system whereby;

*Green food and drinks:* have significant nutritional value and contain limited saturated fat, salt and/or sugar.

*Amber food and drinks:* have some nutritional value, but contain moderate amounts of saturated fat, salt and or/sugar

*Red food and drinks:* provide limited nutritional value and contain high amounts of either saturated fat, salt and/or sugar.

[The types of food and drinks that fall within these classifications vary across state and territories. Check the following for state/territory guidelines:

**ACT:** Healthy food and drink choices policy:
